ABOUT

Centurion

LOCATION

Cannes, Provence-Alpes-Cote-d'Azur, France

Built by Ferretti Custom Line, CENTURION is a 32.62m Navetta 33 Crescendo combining timeless Italian design with generous volume and effortless comfort. Designed inside and out by Zuccon International, her light-filled interiors, signature main-deck balcony and expansive exterior spaces create a relaxed setting for life on the water.

Accommodating up to 11 guests across five staterooms, including a full-beam master suite, CENTURION offers a versatile layout designed for extended cruising, with generous spaces for entertaining, dining and relaxing at anchor. An extensive refit in 2025–2026 has further elevated her. The sundeck has been reconfigured into a spacious new lounge and seating area, a new teak sunbathing area has been created forward on the bridge deck, and the main saloon has been refreshed with new flooring.

Commercially registered with proven charter credentials, CENTURION offers the entertaining spaces and guest volume of a much larger yacht within an efficient sub-200GT platform - delivering the full big-yacht experience without the operating costs to match. Meticulously maintained and presented in turn-key condition, she is ready for her next chapter.
