ABOUT

Queen J III

LOCATION

Rome, Lazio, Italy

QUEEN J III is the newest Custom Line Navetta 33 to be offered for sale having only been delivered in just prior to the 2024 summer season.

QUEEN J III was commissioned by an extremely experienced yachting family who took their years of experience to assure no details were overlooked. Total optional accessories & special condition accessories amount to over €2m - custom interior decor & exterior furniture sets her apart from other Navetta 33 models.

Every section of the yacht has been upgraded from the galley equipment & laundry facilities, to under water lights (14 in total surrounding the vessel including the bulb at the bow), super premium integrated bridge with glass monitors, Premium A/V package throughout the interior & exterior decks of the vessel, CCTV systems with 9 cameras, Geberit toilets throughout, beautiful stonework throughout with custom marbles especially noticeable on the main salon formal dining table, side balcony off the main salon makes a huge difference as does the retractable side boarding ladder and beach club arrangement back aft with tender garage - the list goes on and on.....

Absolutely no details have been overlooked and there are some great personal touches that I love on the decor side especially in the sky lounge with the custom sofa by Edra and the exterior deck furniture by Kettal & Tribu that really finish the spaces nicely.

The owning family is all about wellness and they have designated a large portion of the sundeck to include fitness equipment by TecnoGym SOLE srvo series including treadmill, free weights, kettle bells & assorted benches. A fantastic arrangement for anyone who wants to exercise while enjoying the best view onboard.

QUEEN J III has only been used privately since new with light use by the owner's family & friends. She has extremely low hours and shows in new condition. Maintained by an excellent captain, engineer & crew assuring all maintenance is up to date.

QUEEN J III will be cruising the eastern Mediterranean through the end of the summer season. Private showings can be arranged with proper notice.

Full specifications
