ABOUT

# St. Nicholas

LOCATION

Limassol, Limassol District (Leymasun), Cyprus

A very special boat, built exclusively in accordance with the Dutch tradition of quality and customized by an experienced owner during design and construction. Practically, not a single basic option in the specification. Exceptionally reliable German Vitus Deutz engines. Super low noise levels. Additional generator power. Huge fuel tank. Waste disposal system. Double glazing. Quarantine zone. And much more, which makes this small boat a serious player in the market of long-range explorers with a true autonomy of the transatlantic passage. Excellent seaworthiness is achieved thanks to the exceptional precision of naval architecture. And you will immediately notice it in the contours of the body. This elegant explorer will delight its owner for years to come. Unique offer on the market.
