ABOUT

Dynamiq Global 450

LOCATION

Antalya, Antalya, Turkey

The Global 450 is created for world cruising and for those who spend most of their time on deck and love the connection with the sea. The G 450 introduces several innovative features for her overall length of 45.5 metres and 475 gross tons. An expansive beach club area aft with fold-down bulwarks, large pool, terraced steps leading down to the swim platform and semi-enclosed ‘winter garden’ on the main deck for al fresco dining. Another highlight is master stateroom on the main deck forward that has a private office with fixed balcony, so owners can keep in touch with their business affairs wherever they go. Like other Dynamiq models, the sundeck is among the largest in her class with a second pool, bar and the opportunity to add gym equipment for enjoying a workout with spectacular views. With four guest cabins on the lower deck and an oceanic range of 4,000 nm, the fast displacement Global 450 offers eye-catching style and deluxe comfort in a relatively compact and efficient package.
