ABOUT

Good Times

LOCATION

Palm Beach, Florida, United States

Have you ever seen a boat like this before?

There were only about 50 or so built in St. Simons, GA in the late 1940's through the 1950's.

The workmanship and performance is far superior to similar vintage vessels in her class. This boat has a 11.5 foot beam with a very roomy walk around open cockpit. Up to 6 or 8 adults fit comfortably aboard. Powered with twin 350 C.I. fuel injected Gas Sea Max engines with 400 total hours and plenty of performance.

This vessel is one of the last Emancipator's known to exist, making this purchase a one of a kind opportunity. This better-than-new vessel is a head turner with a great ride and speeds over 40 mph. 30-plus knot cruise.

Recent updates include repower, topside varnish current, new cushions.

Boat is in fantastic condition!

Blackwell Boat works has photos of the complete restoration history documented on their website. C/P this URL into your browser -
