The 2024 Everglades 253 Center Console Bay Boat, powered by a robust 400 HP Mercury V10 engine, is the ultimate vessel for anglers and boating enthusiasts who demand performance, comfort, and versatility. Measuring 25 feet in length, this bay boat is designed for both inshore and offshore adventures, seamlessly blending agility with power.

The 400 HP Mercury V10 delivers exceptional speed, acceleration, and fuel efficiency, making it perfect for quickly reaching remote fishing spots or cruising at high speeds in open waters. The Everglades 253 features a spacious deck layout with ample storage, rod holders, and built-in cooler space, ensuring all your fishing and leisure needs are covered.

Comfort is a priority with cushioned seating, including forward-facing lounges and a comfortable helm chair with state-of-the-art navigation and control systems. The boat's deep-V hull design ensures a smooth, dry ride even in choppy conditions, while the self-bailing deck and unsinkable RAMCAP construction offer unparalleled safety.

Whether you're casting in shallow waters or taking on coastal waves, the Everglades 253 CC with a 400 HP Mercury V10 is designed for those who refuse to compromise on performance, style, or safety.
