ABOUT

2020 Everglades 273

LOCATION

Key Largo, Florida, United States

The 273cc - The boat that goes everywhere!

Everglades Boats' 243cc has long been regarded as the premier hybrid inshore/offshore boat. True to our reputation for constant innovation, this model takes the 243cc to the next level. Meet the 273cc: everything you know and love about the 243cc, upgraded to answer your every desire...even those you didn't know you had yet.

Adding to the superior fishability of our ultra-stable, fish-hungry fiberglass bay boats, the 2021 273cc's innovative Upper Station configuration improves your visibility. It features a second helm station, trim tab indicators, integrated forward rod holders, and a folding foot platform. See fish before they spot you! The low-profile, powder-coated bow rails and pop-up cleats combine with the casting platform/bow seating to make cast-netting live bait a breeze! The stainless steel gunwale flush-mounted rod holders bedded and through-bolted, in addition to the standard under gunwale rod racks, circulating live well with light, and more than 82 gallons of fishbox space makes the 273cc a ready-to-fish machine. The most comfortable place to sit on any boat while underway is the stern and the 273cc provides two incredible foldaway seats on either side of insulated storage.

An upgrade from our 243cc model, the 273cc is a bigger version of the industry’s number-one hybrid inshore/offshore boat.
