The 273cc - The boat that goes everywhere!

Everglades Boats' 243cc has long been regarded as the premier hybrid inshore/offshore boat. True to our reputation for constant innovation, this model takes the 243cc to the next level. Meet the 273cc: everything you know and love about the 243cc, upgraded to answer your every desire...even those you didn't know you had yet.

Adding to the superior fishability of our ultra-stable, fish-hungry fiberglass bay boats, the 2021 273cc's innovative Upper Station configuration improves your visibility. It features a second helm station, trim tab indicators, integrated forward rod holders, and a folding foot platform. See fish before they spot you! The low-profile, powder-coated bow rails and pop-up cleats combine with the casting platform/bow seating to make cast-netting live bait a breeze! The stainless steel gunwale flush-mounted rod holders bedded and through-bolted, in addition to the standard under gunwale rod racks, circulating live well with light, and more than 82 gallons of fishbox space makes the 273cc a ready-to-fish machine. The most comfortable place to sit on any boat while underway is the stern and the 273cc provides two incredible foldaway seats on either side of insulated storage.
