Everglades is Breaking New Dimensions...Again.

Introducing the 395cc. A ground-breaking progression of technology, power, fishability and yacht-like luxuries in a modern center console boat. The 395cc is at its core a meticulously outfitted fishing machine with best-in-class fishing features and design. Beyond its tough fishing exterior lies a new level of luxurious comfort and aggressive styling, making the 395cc a powerful experience for the senses.

True to the Everglades heritage, yet boldly facing towards the future with first-to-industry technology, luxurious touches, and tournament-ready fishing ability, the 395cc has arrived. A new length in the Everglades model line, the 395cc provides the stability and versatility of our 455cc flagship and the nimbleness of it's smaller counterpart, the recently released 365cc. At 39' long with a 12' wide beam, the 395cc is characterized by its unusual blend of sportiness, sophistication and a refusal to compromise.
