ABOUT

Extra X90 Fast

LOCATION

Monaco, La Colle, Monaco

Extra X90 Fast is a masterpiece of naval engineering by Extra Yachts, redefining the line between performance and

comfort. Designed by Hot Lab, the yacht strikes a perfect balance between dynamic capability and onboard livability. Her

vertical development required a careful study of proportions, resulting in a powerful, sculpted bow that enhances her

sporty yet unmistakably marine character. With 86 sqm of expertly distributed outdoor space across the bow and stern,

she offers an extraordinary open-air experience. The over-50 sqm beach club creates a seamless connection to the sea,

with a cockpit that gently cascades over three levels down to the water. The aft galley connects directly to the exterior via a

retractable glass partition, fostering a relaxed, convivial atmosphere ideal for alfresco dining and social gatherings.
