ABOUT

X130 Fast

LOCATION

Ancona, Marche, Italy

The X130 Fast is the largest and most capable model in the Extra Yachts FAST series which are essentially low profile sport yachts that combine performance & lifestyle allowing owners and guests to truly enjoy time close to the water. That involved both a high speed allowing guests to cruise around with wind in their face, running from port to port, anchorage to anchorage with ease. And once you arrive the magic really happens with the FAST series where the entire aft deck completely transforms with fold down balconies that expand the space while the transformer opens up allow stairs to reach into the sea.

The outdoor spaces continue forward on the main deck where you have multiple lounge areas, exterior dining, full service bars, etc. - all things that allow family & friends to gather and enjoy time together relaxing on the sea.

This space continues to the bow area where you have additional spaces to relax, dine, or enjoy the natural surroundings. And the final exclamation is the sundeck which is one of my favorite gathering spaces due to the fact that the layout offers so much - both lounge areas, forward facing seating, and an outstanding dining space centered under the expansive hard top. All focusing on that exterior living vibe.

Love everything about this platform and all that it offers. Truly italian but also truly global in appeal.

Full specifications
