ABOUT

Amigos

LOCATION

Miami, Florida, United States

Amigos is a 2012 Ferretti 620 in Bristol condition and ready to go anywhere today. She has the practical three-stateroom/3 head layout, crew quarter and a thoughtful series of upgrades. Maintained in regular use and continuously improved by her current owners, she presents extremely well and is powered by twin 1,100 HP MAN diesels with all services up to date.

One of her standout features is the unusually open main-deck arrangement. A large hinged window connects the aft galley directly with the cockpit, allowing the galley, salon and aft deck to function as one continuous indoor-outdoor entertaining space. Below, accommodations include three staterooms and three heads, highlighted by a full-beam master suite with large hull-side windows.

The Ferretti 620 was also built to European CE Category A standards, reflecting the offshore design and construction standards incorporated into the model.

Above, the expansive flybridge is protected by a custom PipeWelders hardtop and provides another substantial entertaining area with updated upholstery, barbecue, lounge seating and a fully equipped upper helm. Combined with three separate helm stations, updated electronics and a concealed electro-hydraulic tender davit, this is a particularly well-equipped and thoughtfully updated example of the Ferretti 620.

Notable Features & Upgrades:

• Custom PipeWelders hardtop with full flybridge enclosure

• Three helm stations — lower helm, flybridge helm and aft cockpit docking station with bow-thruster control

• Opening aft galley window connecting the galley, salon and cockpit for excellent indoor-outdoor entertaining

• Concealed telescopic electro-hydraulic tender davit integrated beneath the aft cockpit seating

• Updated Furuno electronics, including 18" NavNet 3D multifunction display, updated instrumentation and onboard cameras

• Full-beam master suite with large hull-side windows, ensuite head and excellent storage

• Recently updated exterior upholstery, including cockpit, flybridge and foredeck sunpad

• Recent interior and entertainment upgrades, including Fusion audio system, new televisions, hardwood salon flooring, new flybridge barbecue and new galley microwave.
