ABOUT

Cuca

LOCATION

Fajardo, Puerto Rico, United States

This 2022 Ferretti Yachts 720 has the factory engine upgrade to twin MAN V12 1400 HP diesels in place of the standard MAN V8 1200 HP engines. Her owner also ordered a long list of factory options, so she's one of the best-equipped 720s you'll find on the resale market.

The 720 measures 73'2" (22.3 m) with an 18'4" beam. Her exterior is by Filippo Salvetti and her interior by the Ferretti Group. The main deck has full-height windows, and the salon has electric curtains, a 40" TV on a lift and a cooler drawer. Below are four guest cabins. The full-beam master has an electric blackout roll and electric curtains, and the port cabin was upgraded to a queen bed. A crew cabin aft sleeps two.

She's set up for outdoor living. The flybridge has its own cooking top, fridge, teak decking and amplified HQ outdoor speakers, which are also in the cockpit. In the cockpit you'll find an icemaker and a fixed control station with cover for easy stern-to docking. Teak on the swim platform and side-deck steps, courtesy lighting throughout and six underwater lights round out the exterior. For cruising, she has a second 21.5 kW generator, a Sea Recovery Aqua Matic 900 watermaker, SeaKeeper, KVH TV7 satellite TV, upgraded radar and plotters at both helms, and a stern thruster.
