ABOUT

La Bella Vita

LOCATION

Miami, Florida, United States

LA BELLA VITA has been consistently updated and maintained, with significant improvements completed over the past several years. A comprehensive 2021–2022 refit included a full Garmin electronics package, a completely redesigned interior, and a rebuilt galley. More recent additions include Starlink internet, in-duct air purification, and continued mechanical and cosmetic updates that keep the yacht in well maintained condition.

One of her defining features is the innovative aft beach club. At the push of a button, the transom lowers and the aft garage opens to create a private waterfront entertaining space complete with a flat-screen TV, refrigerator, ice maker, seating, and underwater lighting. It's a feature typically found on substantially newer and larger yachts, adding both functionality and appeal.

Accommodations include four staterooms for up to eight guests, highlighted by a full-beam master suite with dual en-suite heads, a forward VIP, and two mirrored guest cabins. Separate crew quarters comfortably accommodate three.

Powered by twin MTU 16V2000 diesel engines, LA BELLA VITA reaches a top speed of 28 knots and cruises comfortably at 12.5 knots. Dual 23kW Kohler generators and a SeaKeeper 26 gyro stabilizer provide reliable onboard systems and added comfort both underway and at anchor.

The yacht is offered for sale only because her owners are moving to a larger vessel, presenting a rare opportunity to acquire a well-maintained, extensively updated yacht that is ready for immediate use.

Full specifications
