OWNER FINANCING CONSIDERED

FRACTIONAL OWNERSHIP AVAILABLE

NEW ENGINES INSTALLED IN 2023 ALONG WITH EXTENSIVE REFIT

If you've been looking to purchase a yacht, but are concerned about the enormous cost associated with yacht ownership, i.e... slip fees, insurance, crew salaries, maintenance and management, then look no further!

This 90' pleasure yacht has been meticulously maintained by both the owner and a full time crew. With 4 staterooms and 4 full baths with one half bath, this yacht can easily accommodate 10 guests comfortably. The owner is looking to take on a partner or two for the very first time. This is a rare opportunity to walk onto a yacht that is ready for your cruising pleasure.

For a one time investment of $500K in this $2.2 million vessel, you'll receive a 25% ownership that can be resold at any time, and the pride of ownership in a yacht that's well maintained with a permanent crew.

As a bonus, this yacht is already receiving charter income, which directly offsets or at times, completely eliminates the owners monthly cost.

There's nothing like arriving to your own yacht with familiar spaces and familiar faces eager to assist you in having a wonderful vacation.

Lastly, the current owner will continue to professionally manage the yacht at no cost to you.

Please reach out with any questions about the yacht, crew or to set up a viewing.
