ABOUT

Giada

LOCATION

Villeneuve-Loubet,
Provence-Alpes-Cote-d'Azur, France

GIADA is a Custom Line Navetta 26m Crescendo, delivered in 2013 and is one of only eight hulls ever built in that series.

Inside, her interiors by Zuccon feature light oak finishes and expansive panoramic windows that create a bright, welcoming atmosphere throughout. The main salon stands out with oversized windows, a grand piano and generous seating that invites both socializing and relaxing.

GIADA accommodates up to 10 guests across four cabins. The main deck features a spacious master suite. On the lower deck there is a double cabin, two twins with Pullmans and a fifth cabin currently configured as a cinema and TV room that can be converted into a cabin. Four crew members are comfortably housed, ensuring seamless service on board.

The shaded aft deck is ideal for al fresco dining, while the skylounge aft is complete with a full bar, modular seating and sunshade. The foredeck offers built-in sunpads for private relaxation, and the generous swim platform makes days on the water easy and enjoyable.

When it comes to performance, GIADA is efficient and comfortable, with a cruising speed of 12 knots, a top speed of 14 knots and a range of 800 nautical miles. Seakeeper gyros and ABT-TRAC fins ensure stability at anchor and while cruising.
