ABOUT

Filippetti S100

LOCATION

Ancona, Marche, Italy

The 2027 Filippetti S100 is a bold expression of sporty elegance, engineering precision, and custom craftsmanship, designed in collaboration with renowned architect Fulvio De Simoni. Built for owners who seek both thrilling performance and high-end comfort, this new-build opportunity combines superyacht-level design with an unexpected and innovative layout, all delivered in a sleek, streamlined package.

The S100 is uniquely configured to feature a full-beam owner's suite on the main deck, a rarity in this class, which offers generous space, natural light, and a high level of privacy. Below deck, the yacht includes four additional guest cabins, each with a private head, accommodating up to eight guests in total comfort. The crew area is located aft, featuring three cabins, two heads, and a dedicated crew mess, ensuring professional onboard service and separation from guest living areas.

The spacious, light-filled salon opens directly onto the aft deck, where a 3-meter beach club invites you to relax, swim, or enjoy water toys in style. Up top, the flybridge is equipped with an oversized sun pad and a sleek bar, offering panoramic views and a perfect setting for entertaining. Forward, a private bow lounge and sunbathing zone provide additional open-air space to unwind.

At the heart of the S100's performance is a triple MAN 2000HP engine configuration with Waterjet Drives, offering a smooth, high-speed cruising experience with exceptional handling and seakeeping. The yacht's dual helm stations, including a secondary position on the flybridge, provide enhanced control and a more connected piloting experience for those who enjoy being behind the wheel.

The S100 is fully customizable, allowing owners to personalize the interior finishes, furnishings, and layout to create a yacht that reflects their unique lifestyle. With its striking presence, innovative layout, and exceptional performance, the Filippetti S100 is a rare combination of power, poise, and personalization.
