ABOUT

Filippetti S90-01

LOCATION

Ancona, Marche, Italy

The 2027 Filippetti S90 is a technological masterpiece, blending bold performance, cutting-edge design, and thoughtful craftsmanship. Developed in collaboration with renowned architect and designer Fulvio De Simoni, this sleek, high-performance motor yacht is engineered for owners who demand both thrilling speed and luxurious comfort. With customization at the core of its design, every detail can be tailored to reflect the owner's personal style, ensuring a truly one-of-a-kind vessel.

Designed for speed and precision, the S90 is powered by twin 2200HP MAN engines paired with Arneson surface drives, delivering an exhilarating ride with unmatched agility. With a top speed of 40 knots and a cruising speed of 35 knots, this yacht offers a truly dynamic experience on the water, combining raw power with exceptional efficiency. The S90 boasts a range of 300 nautical miles, making it ideal for high-speed coastal cruising and island-hopping adventures. The addition of a second helm station on the flybridge enhances the driving experience, offering owners a true connection to the yacht's power and handling.

The interior of the S90 is a showcase of refined elegance. Every space is designed with attention to detail, using the finest marble, hand-selected woods, and premium leathers to create a truly bespoke onboard experience. The main deck is home to a spacious owner's suite, providing unparalleled privacy and panoramic views, while the lower deck accommodates three additional guest cabins, each with a private ensuite. The crew quarters, located in two separate cabins, ensure seamless service while maintaining privacy for owners and guests.

Outdoor spaces are designed for both entertainment and relaxation, with the flybridge offering additional lounging and social areas while also serving as a command center for those who enjoy piloting their own yacht. Every exterior element is designed to complement the sporty, dynamic silhouette of the S90 while maximizing comfort and usability.

This yacht offers a fully customizable experience, allowing owners to personalize layouts, finishes, and onboard features to match their vision. Whether configured as a high-performance cruiser or a luxurious retreat, the 2027 Filippetti S90 delivers power, elegance, and innovation.
