ABOUT

Fillippetti S55

LOCATION

Ancona, Marche, Italy

The 2025 Filippetti S55 is an exhilarating blend of performance, luxury, and Italian craftsmanship, designed for those who demand speed, style, and precision on the water. This brand-new express cruiser, developed in collaboration with Davide Cipriani of Centrostiledesign, is built to deliver an unparalleled yachting experience, whether you're chasing open-water thrills at 38 knots or enjoying a sunset cruise along the coast.

The main salon is designed to create a seamless indoor-outdoor experience, with expansive windows and a hydraulic rear window that lowers to bring in ocean breezes and natural light. The open-plan layout is crafted for entertaining, offering a spacious lounge area where guests can relax in style. The salon's elegant furnishings and refined finishes reflect Filippetti's signature attention to detail, ensuring that every element of the yacht enhances both aesthetics and comfort.

Below deck, the S55 features three beautifully appointed cabins, providing comfortable accommodations for up to six guests. The primary stateroom is a private retreat featuring a luxurious queen-size berth, ample storage, and an ensuite head. The VIP cabin forward offers similar elegance, with a queen-sized berth and stylish detailing. The guest cabin, thoughtfully designed with twin berths, provides flexibility for additional guests or family. Each stateroom is finished with high-end materials and soft lighting, creating a warm, inviting atmosphere.

On deck, the S55's sleek exterior and deep-V hull hint at her high-performance capabilities, while her well-appointed social spaces ensure she's as much about luxury as she is about speed. The aft cockpit is a perfect setting for alfresco dining and relaxation, featuring U-shaped dining, sun pad, and an optional barbecue station with an ice maker. The sun pad on the foredeck offers another inviting space to lounge while taking in panoramic views.

At the helm, the Garmin navigation suite and optional IPS joystick controls make piloting the S55 a breeze, ensuring precise maneuverability and smooth handling. For owners who crave even more power, an optional upgrade to MAN V8 1200hp engines with Arneson surface drives boosts the yacht's top speed to an exhilarating 46.5 knots while allowing for a cruising speed of 40 knots. Additional options and upgrades such as a gyroscopic

Seakeeper stabilizer, electric bow and stern thrusters, and dynamic positioning system further enhance the yacht's performance and stability.

Every element of the 2025 Filippetti S55 is designed to offer a thrilling yet refined experience on the water, combining cutting-edge technology with Italian artistry. Whether you're entertaining guests, embarking on a weekend getaway, or cruising at exhilarating speeds, this yacht delivers a perfect balance of luxury and performance.
