ABOUT

Champagne Lady - Formula 370 Ss 2004

LOCATION

Key Biscayne, Florida, United States

This 2004 Formula 370 Super Sport has been consistently maintained and is ready for her next owner. She is powered by twin MerCruiser 496 MAG engines with approximately 1,000 original hours , with all scheduled maintenance and services up to date. The Kohler generator has approximately 562 hours .

The current owner has taken a proactive approach to maintenance, addressing repairs as needed rather than postponing them. Both the engines and generator have been routinely flushed with fresh water after use , and the engine room has been upgraded with new seawater strainers to improve reliability and ease of maintenance.

One of the biggest advantages of this boat is that she has been dry-kept , always stored under cover , and has never been bottom painted . The hull has not been left in the water for extended periods, helping preserve its condition over the years.

The seller has kept extensive maintenance records , including paid invoices documenting the services, repairs, and upgrades completed over the past several years. This provides prospective buyers with a well-documented maintenance history and added confidence in the boat's care.

The cockpit offers generous seating for entertaining, a wet bar, and a comfortable helm layout. Below deck, the cabin features a forward V-berth, convertible mid-cabin seating, a galley, air conditioning, and an enclosed head, making her well suited for day trips or weekend cruising.
