Twin 2017 Mercury 350's - Low Hours

Take command of the Fountain 33 SFC with its center helm console, which provides a great view of your course, your wake, your cockpit, and your crew. The 33 SFC cockpit is arranged for serious fishing with lockable under-gunwale rod stowage able to stow a pair of 50s per side. The transom livewell is also smart, the lid has a small hatch to keep water from sloshing out, but the lid can also be removed entirely if you want to use the livewell as a fishbox if needed. There are also two massive, macerated fish that boxes reside in the sole. A rigging station is on the transom and at the cockpit's forward end is another livewell and a tackle storage unit. These modules are the perfect height for crew to sit on and watch strikes.

• Full Spectrum LED Lights throughout

• Four underwater lights

• New Memory Foam mattress

• Combing recently replaced
