2023 Fountaine Pajot Astrea 42 Maestro – “Migaloo II”

A rare opportunity to acquire a highly specified 2023 Astrea 42 Maestro — still in first private ownership, Australian-owned, and already a winner, having taken first place at the 2025 Fountaine Pajot Owners’ Rendezvous.

This privately maintained Comfort Version has been upgraded well beyond factory standard, featuring a Victron-based lithium power system, solar array, generator, air conditioning, and a full suite of cruising equipment.

With the sought-after Maestro layout (owner’s hull plus two guest cabins), Migaloo II is designed for long-term liveaboard life and effortless Mediterranean cruising. Her presentation and specification reflect careful ownership, and she’s ready to step aboard and go.

Highlights

- One-owner 2023 Astrea 42 Maestro – Private owners’ three-cabin version
- Victron-based lithium battery bank – 4 × 280 Ah LiFePO₄ (≈14.3 kWh)
- 800 W solar array with Victron MPPT controllers
- Full remote system monitoring via phone or tablet
- 9 kW Onan generator + twin alternators (on both Volvo D2-50s)
- Victron Quattro II 3 kW inverter/charger
- 6 × Frigomar air-conditioning units (56,000 BTU total)
- Aquabase 12 V watermaker (105 L/h) + Acuva UV freshwater system
- 100 m Grade 70 chain + 33 kg Rocna anchor + 2 spares
- Twin mooring reels for easy Med-style berthing

• Highfield Hypalon tender + Yamaha F20 with console helm

• Premium Garmin electronics suite + Starlink + Iridium Go

• Bosch washing machine and dishwasher + fully equipped galley

• Extensive sunshades, cockpit cushions, and custom storage details

• Full safety gear incl. 10-man liferaft, EPIRB, PLBs, and defibrillator

• Winner – 2025 Fountaine Pajot Owners' Rendezvous

Broker's Remarks

Migaloo II combines the comfort and styling of Fountaine Pajot's latest designs with genuine self-sufficiency and reliability. Her proven Victron/Onan hybrid energy system delivers quiet, dependable off-grid operation without the complexity of newer 48 V platforms. Every upgrade has been chosen with long-term cruising in mind — from solar and lithium power to UV-filtered freshwater, robust anchoring gear, and thoughtful interior refinements.

Meticulously maintained and continually improved, she represents an exceptional opportunity for a couple or family seeking a turnkey Astrea 42 in outstanding condition. Lying in Preveza, Greece, fully equipped and export-ready.

Owner's Reflections

Migaloo II has been a wonderful yacht for our group of friends — comfortable, capable, and well thought out. We've equipped her for independent cruising, not just weekend sailing, and she's proven herself in every way.

From the quiet confidence of lithium and solar power to the comfort of full air conditioning and shaded spaces at anchor, she's allowed us to enjoy the Mediterranean exactly as we'd hoped — in comfort, style, and safety.

Her upgrades and small touches make life aboard easy: from 100 m of chain and mooring reels to extensive sunshades, cockpit cushions, spice racks, and curved furniture details. Everything has been chosen with care.

As part of our ownership agreement, Migaloo II has also benefited from consistent end-of-season maintenance — every system is checked, and any issue resolved immediately. She's been our perfect base in the Ionian, and we hope her next owners enjoy her as much as we have.
