ABOUT

Some Kind Of Wonderful

LOCATION

Fort Lauderdale, Florida, United States

Originally commissioned as the flagship Fountaine Pajot Victoria 67' hull design, SOME KIND OF WONDERFUL was extended five feet, increasing the waterline and forward buoyancy for superior sailing performance and comfort underway. Purpose-built for an owner who values performance sailing and entertainment, this custom 72' Fountaine Pajot delivers an exceptional on-water experience equally suited for high-end charter operations, private family adventures, or world cruising.

Unlike production catamarans in this class, SOME KIND OF WONDERFUL was extensively customized for superior offshore performance and elevated onboard living. Her carbon fiber mast and boom, Kevlar rigging, and extended hull design create a lighter, faster, and more stable ride- ideal for owners seeking serious passage making capability without sacrificing luxury or ease of operation.

The yacht's expansive layout was designed with modern owner expectations in mind: open social spaces, seamless indoor-outdoor living, and true privacy for guests. Accommodations for 10 guests include a spacious king master suite, three beautifully appointed queen guest staterooms, and a starboard forward twin stateroom, all with ensuite baths and independent climate control.

Following a significant 2024 refit, the vessel presents to an exceptionally high standard with updated systems and a proven pedigree in the luxury charter market- making her immediately turnkey for either private enjoyment or revenue generation.

Full specifications
