ABOUT

Four Winns HD8

Step aboard this 2023 Four Winns HD8 and get ready to turn heads on Lake Conroe, Clear Lake, or out past Galveston Bay. With its crisp white hull and a Volvo Penta V8-380 CE gasoline engine under the hood, this boat has the power and presence to cruise past the Kemah Boardwalk or anchor up near Watergate Marina for an afternoon on the water with friends and family. Whether you're chasing sunsets over the Houston Ship Channel or carving wake on a quiet Trinity Bay morning, the HD8 is built to make every outing feel like an event.

Function meets style everywhere you look. The extended integrated swim platform, finished in brown synthetic teak-style decking with stainless-steel boarding hardware, makes it easy to hop in and out for a swim break near Boggy Bayou or after a day of fishing offshore. Up top, a black Bimini-style canvas with a sturdy stainless-steel support structure keeps the Texas sun in check, so you can keep the party going long after other boats have called it a day. The matching brown decking accents in the cockpit tie the whole exterior look together, giving the HD8 a tailored, yacht-like feel without sacrificing durability.

Inside, the cockpit is where this boat really shines. Spacious aft seating converts into a sunpad and lounge configuration, perfect for soaking up rays while idling near the San Jacinto Monument or relaxing after a run to Trinity Bay. The tan premium marine upholstery with contrasting dark accents and decorative stitched panels gives the whole cockpit a upscale, custom feel, while JL Audio marine speakers built into the seating areas keep the soundtrack going whether you're cruising or anchored up for a swim. Forward, the wraparound bow seating with its own convertible sunpad configuration means there's room for everyone to stretch out and enjoy the ride.

At the helm, the sport-style console puts you in command with a stainless-steel steering wheel, integrated instrument and control panel, and a windshield with a center walkthrough for easy access fore and aft. The dedicated captain's seat and companion seating make long days on the water comfortable for the person driving and the person riding shotgun alike, and with integrated under-seat storage plus additional cockpit storage, there's plenty of room to stash gear, coolers, and water toys for your next adventure around the Houston area's best boating spots.
