ABOUT

Best Medicine II

LOCATION

Fort Lauderdale, Florida, United States

If you're looking for a serious offshore fishing machine with the comfort and features to match, this 2022 47' Freeman deserves a close look. She made a splash in her debut at the Big Rock Fishing Tournament, landing a top-10 finish and proving her pedigree right out of the gate.

The boat's hull was wrapped in blue from day one, and the wrap has just come off for the sale, revealing paint underneath that's in fantastic shape. Power comes from four Mercury Verado 400s, last serviced in July 2025. The engines are covered under Mercury's Platinum warranty until Oct 2027.

A Panda diesel generator and 12-gallon tank provide reliable onboard AC power and keeping the Seakeeper 6 gyro running smoothly—plus, the gyro warranty is good through September 2026 and fully transferrable.

You'll appreciate the range: 1,025 gallons of fuel gives you over 750 nautical miles, so extended runs are no problem. Electronics are top-notch, with big Garmin displays, integrated autopilot, and Starlink satellite internet to keep you connected wherever you roam. Safety's covered too, with an included hardtop mounted life raft onboard.

Comfort hasn't been overlooked; three rows of seating (three across each), a huge sun pad on the bow, and a flybridge helm for a bird's-eye view. There's a marine head for convenience, and recent upgrades include fresh upholstery and varnish work.

This Freeman is equally at home chasing billfish or entertaining friends and family for a day on the water. She's been cared for, upgraded, and is ready for her next adventure.
