ABOUT

Galeon 375 Gto

This 2024 Galeon 375 GTO combines 1,200 horsepower, striking European design, and Galeon's signature Beach Mode to create an entirely different way to enjoy a 37-foot yacht.

Twin Mercury 600 XL Verado outboards deliver a remarkable 1,200 horsepower, with performance approaching 50 mph, while the 12-foot beam and 396-gallon fuel capacity give this 375 GTO the presence and range expected from a much larger yacht. A hydraulic windlass, spacious bow lounge, and two-cabin, one-head layout add the capability for comfortable day cruising and overnight escapes.

But the real Galeon experience begins when you reach the water. The 375 GTO's Beach Mode expandable decks open the cockpit outward, creating an expansive waterfront entertaining space that changes the character of the boat at anchor. Add the oversized bow lounge, cockpit galley with refrigerator and electric grill, convertible seating, electric sunroof, and generous storage, and this is a yacht designed around keeping everyone comfortable and connected.

From cruising the Caloosahatchee to running out toward Sanibel and Captiva, spending the afternoon at a Gulf Coast anchorage, or turning a day on the water into a weekend aboard, this Galeon 375 GTO fits naturally into the Southwest Florida lifestyle.

Backed by the expertise of our MarineMax Fort Myers team, this Galeon gives you the confidence of a professional purchase backed by a dealership built around the ownership experience. Contact MarineMax Fort Myers today to schedule your private showing.
