• Bow thruster with joystick control

• Gyro-stabilized cruising comfort system

• LED underwater and ambient lighting package

• Never chartered, private use only

• No refits to date, factory specification maintained

Core Description

The Galeon 480 Fly is a modern flybridge motor yacht that emphasizes outdoor living, intelligent space design, and smooth cruising capability. At 48 feet, she offers a highly adaptable layout with signature fold-out balconies that expand the cockpit into a true waterside terrace. Built in 2025 and maintained in excellent condition, she is ideal for private family cruising or stylish entertaining in warm climates.

Powered by twin Volvo Penta D8-600 engines delivering a total of 1,200 hp, she provides confident handling and efficient performance. The advanced control package integrates cruise control and trip computer functions, while NMEA2000 connectivity ensures seamless onboard systems management. Combined with the Seakeeper 6 stabilizer, she delivers enhanced comfort both underway and at anchor.

Accommodation is designed for relaxed onboard living with a master suite featuring exclusive illuminated headboard design, vanity mirror cabinetry, and refined decorative detailing. Guest areas are complemented by elegant finishes and a warm, modern aesthetic throughout the saloon and cabins.

Outdoor spaces are a key highlight, with Beach Mode transforming the aft deck into an open waterside lounge, while the flybridge features an electric grill and generous seating for entertaining. The bow Lounge Mode seating further enhances social space versatility, making this yacht exceptionally well suited for leisure cruising.

Maintained in pristine, private ownership condition with no charter history, this Galeon 480 Fly represents a turnkey opportunity in a highly desirable configuration.
