ABOUT

Galeon 640 Fly

One of the most comprehensively equipped and thoughtfully maintained Galeon 640 Flys available.

The 2018 Galeon 640 Fly combines striking European styling, exceptional entertaining spaces, a sophisticated three-stateroom layout, and serious cruising capability. This particular 640 Fly takes that package to another level with an impressive list of upgrades, improvements, and maintenance performed under open-checkbook ownership .

With only 780 hours on her twin Volvo Penta D13-1000 engines and 1,400 hours on the generator , this yacht offers an outstanding combination of capability, equipment, and conscientious ownership.

From the Seakeeper gyro and Yacht Controller to the Starlink system, upgraded batteries, new props, shaft seals, cutlass bearings, bottom paint, and extensive mechanical work , this yacht has benefited from significant investment designed to enhance both comfort and reliability.

This Galeon features the highly desirable three-cabin layout plus a separate crew cabin , providing tremendous flexibility for family cruising, extended stays aboard, or entertaining guests.

The yacht is powered by twin Volvo Penta D13-1000 diesel engines with just 780 hours , providing the performance and capability expected from a yacht of this size.

Onboard amenities include:

• Seakeeper gyro stabilizer

• Yacht Controller

• Starlink satellite internet

• Twin Volvo Penta D13-1000 diesel engines — 780 hours

• Generator — 1,400 hours

- 3-stateroom layout
- Crew cabin
- Washer & dryer
- Dishwasher
- Ice maker
- Spacious salon
- Expansive flybridge
- Generous entertaining areas
- Dinghy rack
- Marquipt sea stairs
- Viking rescue raft

This yacht has benefited from substantial investment by an owner who has clearly prioritized maintenance, reliability, safety, and cruising enjoyment .

- Yacht Controller
- Marquipt sea stairs
- Viking rescue raft
- Dinghy rack
- All batteries replaced
- Starlink installed
- Two new shore cord ends
- New sump pump
- Four new 4D engine-room batteries
- Two new bow thruster batteries

• New Whale pump and float

• New loop pump and seawater pump

Substantial work has also been completed on the yacht's underwater gear and mechanical systems , including:

• New bottom paint

• New port and starboard propellers

• New shaft seals

• New cutlass bearings

• New DC converter

• All new zincs

This level of investment in the yacht's running gear and systems provides an important advantage to the next owner: many of the expensive maintenance items have already been addressed.

The Galeon 640 Fly is designed to be enjoyed. The spacious flybridge provides an outstanding venue for entertaining, relaxing, and taking in the scenery, while the beautifully appointed interior provides comfortable accommodations for extended cruising.

The Seakeeper is a particularly valuable addition, helping reduce unwanted boat movement both underway and at anchor. Add the Yacht Controller , and handling and maneuvering this yacht becomes considerably more convenient—particularly when docking or operating with a small crew.

The combination of three private staterooms, crew accommodations, extensive onboard amenities, and substantial storage makes this a yacht capable of accommodating family and guests comfortably for extended periods.

Open-Checkbook Ownership

The strongest feature of this particular Galeon may not be something you can see from the dock.

It has been cared for by an owner who has invested heavily in the yacht rather than simply maintaining the status quo.

The extensive list of upgrades and improvements—from batteries and pumps to running gear, bottom paint, stabilization, communications, docking technology, and safety equipment—reflects an ownership philosophy focused on keeping the yacht updated, capable, and ready to enjoy .

For a buyer looking for a Galeon 640 Fly, that can mean a significant head start on ownership.

If you've been searching for a Galeon 640 Fly that is exceptionally well equipped, thoughtfully upgraded, and maintained to a high standard , this yacht deserves your attention.

The combination of only 780 engine hours, 1,400 generator hours, Volvo Penta D13-1000 power, Seakeeper, Yacht Controller, Starlink, three staterooms, crew cabin, and extensive recent maintenance and upgrades makes this a particularly compelling 640 Fly.

Don't simply compare the year and asking price—come aboard and see the difference that significant investment and conscientious ownership can make.

This is a 640 Fly that is ready to be enjoyed. Come see her for yourself.
