1932 Gar Wood Triple Cockpit

Only seven of these were built in 1932, only five are known to exist today. This boat was in our long term care until the owner moved to Michigan several years ago. It has been in the care of our friends at Van Dam since. When the current owner acquired it, a Scripps V-12 was fit in the boat. Later, he found and acquired the original, serial number matching Scripps 206 Six cylinder engine, which we swapped several years ago.

We had a custom Loadmaster trailer fabricated, as well.
