ABOUT

Grady-White Canyon 376

The 2021 Grady-White Canyon 376 is made for adventures on the emerald waters of Panama City Beach, blending robust performance with contemporary style. Outfitted with triple Yamaha F425 HM outboard engines, this vessel delivers thrilling power to chase fish past the St. Andrews jetties or make a quick getaway to Shell Island with friends and family onboard. The Seakeeper stabilizer ensures a smooth cruise even on breezy days, while a bow thruster and hydraulic trim tabs give you total control when docking around local marinas and coves. And with the onboard generator, you'll enjoy the comforts of home wherever your voyage takes you.

Step aboard and you'll notice the stunning Ocean Mist Blue gel coat and interior, complementing the local Gulf's sparkling hues. The nonskid fiberglass decking keeps everyone secure, whether you're hauling in your catch from the painted rod holders and 15-foot crank adjust outriggers or just relaxing under the ivory T-Top helm enclosure that provides welcome shade. An anchor windlass makes it easy to drop anchor just off Shell Island for a picnic or a swim in crystal-clear water.

As daylight fades, the boat shifts effortlessly into evening mode, with blue LED cockpit lighting setting the mood and a helm access door light adding a practical touch during night fishing or late returns from St. Andrews State Park. The upgraded stereo system keeps your playlist rolling, while comfort features like the private head, molded forward console seat, supportive console grab rails, cockpit bolsters, and toe rails ensure that every passenger feels at home. Need to stay connected? There's a wireless phone charger conveniently at hand.

Practical amenities round out the experience, including a refrigerated aft fish box to keep your Gulf red snapper fresh, a raw water livewell for bait, plenty of stainless steel drink holders for refreshments, and accessory outlets for all your gadgets. Whether you're a serious angler, a sunset cruiser, or just looking to enjoy the sand and scenery around Panama City Beach, this Grady-White Canyon 376 is ready for your next chapter on the water.
