ABOUT

Grady-White Canyon 376

The 2021 Grady-White Canyon 376 is a true standout for boating adventures on Florida's Emerald Coast. Powered by three Yamaha F425 HM engines, this vessel delivers the speed and reliability you need to cruise the waters of Panama City Beach with complete confidence. The Seakeeper stabilizer keeps your ride smooth on the Gulf, while the bow thruster offers effortless maneuverability, making docking at hotspots like St. Andrews Marina a breeze. The Cape Gray painted hull and matching interior add an unmistakable touch of coastal sophistication that looks right at home against the backdrop of St. Andrews State Park and the iconic Inlet.

On deck, every detail is designed for comfort and convenience. Anglers will appreciate the painted rod holders and the casting platform insert—with plush cushions—for reeling in grouper or snapper off the Shell Island jetties. If you're seeking shade after a sun-soaked morning, the Sure Shade top provides instant cover. The bow features a versatile table, equally perfect for a waterside lunch with friends or prepping your next cast while anchored in Grand Lagoon.

Step inside and enjoy all the thoughtful touches that make day trips and longer cruises equally inviting. The enhanced furnishings and Cape Gray interior give a welcoming, relaxing vibe after a full afternoon in the sun. Onboard entertainment is first class, with a TV and DVD player for movie nights at anchor and an upgraded stereo system that can bring your favorite playlist to life as you watch the sunset over the Gulf.

Rounding out the experience, the refrigerated aft fish box offers plenty of space to keep your catch iced and fresh, so you can stay out longer without worrying about supplies. Whether you're dolphin-spotting off Shell Island, picnicking near Point Washington, or entertaining family on deck, this Grady-White Canyon 376 ensures every outing around Panama City Beach is comfortable, memorable, and thoroughly enjoyable.
