2018 Grady-White 307 Freedom

ASKING $225,000 | TWIN YAMAHA 300 HP | TRAILER STORED | NO BOTTOM PAINT

This 2018 Grady-White 307 Freedom offers an excellent combination of offshore performance, comfort, and versatility. Powered by twin Yamaha 300 HP outboards, this dual console is a great option for boaters looking to enjoy everything South Florida and the Bahamas have to offer.

Trailer stored and kept out of the water, this 307 Freedom has no bottom paint, a desirable feature for buyers looking for a boat that has not been continuously stored in the water.

Known for its solid construction and legendary SeaV² hull design, the 307 Freedom delivers the ride quality and offshore capability that have made Grady-White one of the most respected names in boating.

The spacious dual-console layout offers comfortable seating throughout, making it equally suited for offshore fishing, family cruising, or spending the day at the sandbar. The large cockpit provides plenty of room to move around, while the bow seating and enclosed head compartment add comfort and convenience for longer days on the water.

At the helm, twin Garmin multifunction displays provide navigation and vessel information, while underwater lights are a great addition for evenings on the water.

Whether you're heading offshore for the day, cruising Biscayne Bay, or making a run to the Bahamas, this 307 Freedom offers the versatility to do it all.
