1932 Hacker-Craft Triple cockpit

Now available, but not for long. There are only three of this model in existence, this is the only one equipped with a Scripps V-12.

All the right work has been done, paint and varnish just freshened. Our customer has enjoyed it for several years, and is ready for another boat.

Triple cockpit, "gangster" windshield, Kroh convertible top, waterline mooring cover, Loadmaster trailer custom for the boat.
