ABOUT

Tiger Lilli

LOCATION

Vancouver, British Columbia, Canada

Highlight features for TIGER LILLI incorporates a Comprehensive catalog encompassing design, function, layout, performance, reliability and safety. TIGER LILLI's floorplan is Welcoming and Comfortable, boasting volumes of space and natural light typically seen in larger yachts.

The main deck is Open from the aft deck through the salon and bar area forward to the galley, and dining areas with generous headroom. Design Elements combine tasteful and durable custom carpets, cherry flooring, fabrics, furnishings and décor throughout. Complementing the luxurious interior is stunning semi-semi-gloss finished Makore Cherry cabinetry, doors and wall panels, Granite counters and floors in the galley, Marble counters and floors in heads along with matching hardware for light fixtures, doors, cabinets and drawers.

Appliances aboard TIGER LILLI were installed maximizing use of space in all areas. In the Galley is an upright Sub-Zero refrigerator with freezer drawers and ice maker, GE Profile Induction Cooktop, GE Profile Oven, GE Profile convection microwave, Fisher & Paykel dishwasher, Broan trash compactor, BLANCO dual stainless-steel sink, single-lever faucet with sprayer, and Insinkerator garbage disposal Adjacent to the galley is the Bar Area and with convenience built right in offering a U-Line 24 bottle wine refrigerator, and undercounter mounted stainless steel sink with faucet. Above, in the Sky Lounge is a U-Line refrigerator, on the Fly Bridge deck is an outdoor meal prep area with The Aft Deck has a . In the Crew Area is an undercounter mounted stainless steel sink with single lever faucet, U-Line refrigerator and GE microwave oven. The laundry is Bosch brand washer and dryer. An additional freezer is cleverly placed in the companionway near the forward accommodations.

Well-appointed Accommodations include a full beam, king bed Master Stateroom with ensuite His and Hers head with adjoining shower, VIP cabin forward with custom walk around bed and ensuite head and shower, and Port Guest cabin with custom bed and private access ensuite head with shower which can be accessed from the companionway for day head use. The crew area has a custom berth with separate head / vanity and shower compartments. In the sky lounge is a day head with sink, mirror and vanity. An abundance of aromatic cedar hanging lockers, drawers and storage compartments in all accommodation areas are key for an orderly yacht.

Exterior spaces on the main deck extend forward from the aft deck along deep, wide side decks to the sun pad lounging area with adjacent storage compartments port and starboard sides. At the Bow Area resides a Maxwell VWC 3500 anchoring system with an 80kg Bruce polished stainless steel anchor, swivel and 300' of chain, adjacent anchor launch & retrieve foot pedal controls, fresh and raw water washdowns and deck drains are positioned to aid in cleanup.

Access to the Sky Lounge is either via aft deck molded stairs or by ascending the starboard side interior stairs next to the galley. On the Sky Lounge deck forward and centerline is the helm area with Garmin electronics, CAT engine displays, 2-electric adjustable STIDD helm chairs, large opening skylight with screen, storage beneath the helm, built-in storage cabinetry, Bose sound system, Samsung 40" TV, custom hi-lo dining table, custom upholstered L-Lounge, refrigerator, a day head, upper fly bridge deck sliding entry door aft with screen and opening windows.

Aft on the Sky lounge, there is an outdoor galley with a DSC propane grill, sink, Corian countertop and storage.

The Boat Deck section is a self-draining non-skid FRP deck area that presents a fabulous multi-use area with plentiful space and room for the teak table and chairs which are neatly organized beneath a custom canvas cover when not in use. For launching the Walker Bay tender that is kept below on the extended swim step, is a full extension power rotation Brower 1600-pound capacity davit.

You will be impressed with generous headroom in the Engine room between the engines with ample room forward and outboard for accessibility to critical systems. The Reliable and efficient Caterpillar C18 Marine Diesel 1001 hp Main Engines @2300RPM with underwater exhaust, (1375 (Port) 1366 (Starboard) hours – 9/2026), Managed by a 3-station CAT electronic engine control system which includes a sky lounge helm station and 2-aft deck wing stations, are the heart of Performance offering high torque at low RPM's providing excellent vessel control. Balancing the Robust drivetrain are ZF gear boxes, Hydraulic PTO's, 3" AQUATECH HS #22 stainless steel propeller shafts, 5-blade propellers, stainless steel spade rudders and Sea Star steering.

A central hydraulic system powers the ABT TRAC 9X Hydraulic Zero Speed stabilizer fins with winglets, Maxwell 3500 anchoring system and the ABT TRAC Hydraulic proportional Bow (30 hp) and Stern (30 hp) thrusters.

Fully integrated Electrical System with Kohler 28EOZD 28kW , Kohler 15EOZD 120/240V/60Hz Marine Diesel Generators with sound shield , Magnasine MS4024 4 kW inverter/charger & remote panel for ship's service (16) House batteries, 50 amp C-Charles 24VDC battery charger - (4) Engine 200AH batteries, 20 amp C-Charles 12VDC battery charger for (2) Generator 100AH 12V batteries, LED 24V Lighting, Glendenning Cablemaster CM7 motorized storage systems a ft port & starboard for retraction and extension of the 50A/125/250V shore power

cords. The 120V / 240V AC, Inverter breaker panel, and the 24V/12V DC breaker panels are well labeled and back lit.

NMEA 2000 Certified manufacturer Garmin Electronics Suite components are installed including three Garmin 8000 series GPSMAP MFD 19" Touch-screen color displays with preloaded maps, autopilot, radar, and GMI10 displays. Cameras stream views from the aft deck and engine room to the sky lounge Garmin display.

The Comfort climate control throughout the accommodations, main deck, sky lounge, crew area and engine room is Dometic's multi-zone chilled water air conditioning w/reverse cycle heat system. A Hydronic Diesel Furnace system with multi-zone controls is plumbed throughout the accommodations, main deck, sky lounge and crew area.

Throughout the main deck and sky lounge perimeters are large embedded fixed frameless windows which bathe the interior spaces with natural light.
