HYPERION is a 2022 Hargrave 116’ motor yacht offering exceptional volume, a highly desirable five-stateroom layout, expansive exterior entertaining areas, and a serious mechanical specification. At approximately 320 gross tons with a nearly 26-foot beam, HYPERION delivers interior and exterior spaces more commonly associated with substantially larger yachts.

HYPERION was custom-built for her current owner and represents his second Hargrave yacht, a testament to his appreciation for the shipyard’s craftsmanship, quality, and attention to detail. Constructed at Hargrave’s Superyacht Division (HSY) in Turkey, HYPERION benefits from an exceptional level of fit and finish, sophisticated systems integration, and meticulous engineering that distinguish the facility and its yachts from the competition.
