ABOUT

Harris 230 Grand Mariner

The 2026 Harris 230 Grand Mariner (Stock 220459) represents the absolute cutting edge of luxury day-boat design, combining elite fiberglass-fused fencing lines, automotive styling, and immense raw power. Built on an advanced triple-tube chassis to slice through big-water chop with yacht-like confidence, this "Premium Experience" model is driven by a revolutionary 350HP Mercury V10 Verado and a push-button automated Ion Power Lift Tower, establishing a dominant, midnight-toned presence on the water.

Key Specifications & Details

• Engine: Mercury 350L V10 Verado

• Status: Trailer is not included in the price.

• Trades: Trades considered (Boats only).

• Location: Available at MarineMax Lake Hopatcong

• Mercury 350L V10 Verado: A state-of-the-art, high-displacement V10 power plant that delivers massive mid-range torque, effortless acceleration, and a thrilling top speed. Includes Digital Throttle & Shift (DTS) and Power Assist Steering (PAS) for sports-car-like handling at the helm.

• Performance Level 3 Chassis (25"-27"-25"): A highly specialized triple-tube matrix featuring twin 25" outer tubes and an oversized 27" center tube. Enhanced with lifting strakes and a full-length keel, this configuration mimics a deep-V fiberglass hull, allowing the boat to bank aggressively into sharp turns while running completely level and stable.

• Ski Tow Bar: A heavy-duty, stainless steel structural tow point engineered to easily handle high-stress watersports like wakeboarding, skiing, and multi-passenger tubing.

• Sleek "Midnight" Aesthetic: A commanding visual profile featuring deep Black Sapphire Metallic main panels highlighted by a Black Matte Accent stripe, all set against the Black Edition powder-coated fence rails and rub rails.

• Ion Power Lift Tower: The pinnacle of convenience—an electrically actuated, premium sports tower that raises or fully collapses at the push of a helm button for effortless bridge or boat slip clearance. It comes fully integrated with a Black Bimini top and high-output Tower Can Speakers.

• Dockside Conveniences: Outfitted with integrated high-intensity docking lights, quick-release fender systems from the factory Convenience Package, and two additional 8.8" diameter fenders with quick-attach straps for rapid, scratch-free tie-ups.

• SLDH Layout with Cool-Touch Vinyl: Features the highly sought-after Single Rear-Facing Lounger (SL) paired with Dual Helm Seats (DH), wrapped in ultra-plush Luxe Chestnut Brown furniture engineered with Cool Touch technology to remain comfortable under direct summer sunlight. Beautifully accented with modern Charcoal (Dark Gray) inserts.

• Desert Beige Seagrass Full Flooring: Premium, full-deck woven vinyl flooring that provides a highly durable, textured, non-slip walking surface that resists mildew and washes down effortlessly.

• Dual Ultra Lux High-Back Seats: Both the captain and the first mate enjoy identical, ultra-premium High-Back Dual Helm Seats featuring flip-up armrests, swiveling mechanisms, and deep foam contours for all-day cruising comfort.

• Ergonomic Command Center: Features a Raised Helm platform to give the captain an unobstructed line of sight over forward passengers, complemented by a Steering Wheel Upgrade and a Removable Windscreen.

• Social Amenities: Includes a wrap-around stainless steel transom Safety Railing to safely utilize the rear lounger while underway, an Upgraded Black Acrylic Table for dockside drinks or appetizers, and a clever In-Floor Storage Trash Can finished in black to keep the deck immaculate.

• Tech & Convenience Packages: Premium factory bundles upgrading the helm with advanced digital touchscreen displays, a wireless phone charging dock, premium soft-touch toggle buttons, and quick-access utility storage.

• Total Lighting Package (C-Zone): A fully integrated digital switching network that grants centralized control over the Interior and Exterior RGB LED lighting, allowing you to customize color moods across the cupholders, seat bases, floor lanes, and underwater lines.

• Concert-Quality Sound: A premium multi-zone marine audio package boosted by high-power Tower Can Speakers, throwing crystal-clear, deep audio far past the swim platform to entertain riders on tow lines.

The MarineMax Advantage: Ownership Made Easy

When you purchase this boat, you don't just get a boat—you join the MarineMax family and benefit from our comprehensive support, making boating easy and enjoyable:

• Ready-to-Go: A full fuel tank upon purchase and a Go Boating Gear kit filled with essentials for safety on the water.

• Financial Ease: Hassle-free financing and insurance options.

• Exceptional Service: Convenient online scheduling for all your maintenance needs.

• Expert Training: Boating classes and seminars to build your confidence on the water.

• Community: Exclusive access to our Getaways!® trips and customer events, connecting you with a vibrant community of fellow boaters.
