ABOUT

# Harris 230 Solstice

2025 Harris 230 Solstice

The 2025 Harris 230 Solstice delivers a premium pontoon experience with the performance and sophistication to make every day on the water memorable. Powered by a Mercury 200HP V6 four-stroke with Power Assist Steering and just 46 hours, this Solstice pairs smooth, responsive performance with Harris's 325 Performance Chassis for confident handling and stability. The deep Maritime Profile in Matte Midnight Blue and White Diamond accents gives it a sharp, upscale appearance, while the 10-foot Power Halo Bimini provides push-button shade at the touch of a button. Inside, the SLDH layout features a rear-facing lounger, dual Ultra Luxury helm seats, Luxury Dune furniture, Sandy Shoreline woven vinyl flooring, a removable windscreen, upgraded Black Acrylic table, and plenty of space for relaxing. A Simrad NSX7 touchscreen, JL Diamond Sound System, and RGB lighting package add modern technology and entertainment, while the ski tow bar and rear swim seating make it just as ready for active days on the water.

Located at MarineMax Lake Hopatcong, this Harris is ideally positioned to enjoy one of New Jersey's premier boating destinations. Cruise the scenic shoreline of Lake Hopatcong, explore its numerous coves and islands, or anchor up for swimming and relaxing with family and friends. The spacious 230 Solstice layout makes entertaining easy, while the powerful Mercury 200, performance triple-tube chassis, ski tow bar, and generous Bimini shade provide the versatility to go from watersports to sunset cruising without missing a beat. With only 46 hours and a premium combination of performance, comfort, technology, and style, this Harris Solstice is ready for memorable days on Lake Hopatcong.
