ABOUT

Harris Cruiser 230

2022 Harris Cruiser 230 | Stock #225253 | Fort Walton Beach, FL

The 2022 Harris Cruiser 230 is built for comfortable days on the water, with plenty of room for family and friends. It's finished in a sharp champagne exterior with a Black Edition powder-coated fence, giving it a clean, upscale look that fits right in along the Emerald Coast. Desert beige seagrass flooring and beach tan furniture keep the whole deck bright and inviting.

A Mercury 150XL EFI 4-Stroke with hydraulic steering provides the power and easy handling for everything from relaxed cruising to pulling a tube. At the helm, the Simrad GO7 chartplotter/sonar keeps navigation and depth information close at hand, and a Clarion stereo with four speakers sets the soundtrack. The double Bimini top with black frame gives you plenty of shade when the Florida sun is at its strongest. The salt water package for 25" tubes is a smart addition for Gulf Coast boaters.

Spending the day at anchor is just as easy. The extended rear swim platform, 4-step telescoping stainless steel stern ladder, stainless steel ski tow bar, flip-up cleats, and safety railing make getting in and out of the water simple. Inside, the enhanced seat package includes U-Lux high-back seats, dual helm seats, stainless steel cupholders, an upgraded steering wheel, and a table upgraded to black acrylic, so everyone has room to settle in.

Take this Harris out from Fort Walton Beach and you have a great platform for exploring Choctawhatchee Bay, cruising past Okaloosa Island, or heading toward Destin Harbor for a change of scenery. Whether you're anchoring up near Crab Island, pulling the kids on a tube, or enjoying an evening cruise along the Emerald Coast, the Cruiser 230 combines comfort, versatility, and space for a full day on the water.

Stop by our Fort Walton Beach location to see stock in person.

- Dual helm seats
- Steering wheel upgrade
- Stainless steel cupholder

I left out the “not compatible with light package, power top, or arch” note and the “single pontoon layout” line, since the first reads as internal and the second may be a typo. Tell me if you want either added back.
