ABOUT

Harris Solstice 250

The 2026 Harris 250 Solstice (Stock 219848) is a masterclass in large-scale luxury pontoon engineering, stretching 25 feet to provide a massive, ultra-stable platform for entertainment and high-speed cruising. Crowned by a revolutionary 350HP Mercury V10 Verado and styled with a clean, high-contrast aesthetic, this "Premium Experience" model utilizes an advanced triple-tube chassis to slice through big-water chop with yacht-like confidence.

Key Specifications & Details

• Engine: Mercury 350L V10 Verado (White)

• Status: Trailer is not included in the price.

• Trades: Trades considered (Boats only).

• Location: Available at MarineMax Dallas

• Mercury 350L V10 Verado (White): The absolute peak of modern marine engineering—a massive displacement, naturally aspirated V10 power plant that delivers incredible mid-range acceleration and top-end speed. Includes Digital Throttle & Shift (DTS) and Power Assist Steering (PAS) for precision handling.

• Performance Level 3 Chassis (25"-27"-25"): A highly specialized triple-tube matrix featuring twin 25" outer tubes and an oversized 27" center tube. Enhanced with lifting strakes and a full-length keel, this configuration mimics a deep-V fiberglass hull, allowing the boat to bank aggressively into sharp turns while running completely level.

• Ski Tow Bar: A heavy-duty, stainless steel structural tow point engineered to easily handle high-stress watersports like wakeboarding, skiing, and multi-rider tubing.

• On-Shore Battery Charger: An onboard plugin charging network that continuously maintains your battery banks, ensuring your high-output digital switching and sound systems never deplete your starting power.

• High-Contrast Aesthetic: A striking look featuring brilliant Ceramic White exterior panels set against the Black Edition powder-coated fence rails, bimini structures, and rub rails.

• Ultra Black Manual Lift Tower: A forward-swept, aggressive wakeboard tower that provides an elevated tow-point and easily collapses for bridge or garage clearance. It comes integrated with high-output Tower Can Speakers.

• Double Bimini System: Extends completely forward and aft from the structural sports tower, unfolding to create an expansive, uninterrupted canopy of shade over nearly the entire deck.

• Dockside Conveniences: Outfitted with two additional 8.8" diameter fenders with quick-attach straps for rapid, scratch-free docking alongside concrete pilings or slips.

• SLDH Layout & Luxury Upholstery: Features the premium Single Rear-Facing Lounger (SL) paired with Dual Helm Seats (DH), finished in ultra-plush Luxury Chestnut Brown vinyl with meticulous diamond stitching.

• Beachwalk Seagrass Full Flooring: Premium, full-deck woven vinyl flooring that provides a highly durable, textured, non-slip walking surface that stays cool to the touch and washes down effortlessly.

• Dual Ultra Lux High-Back Seats: Both the captain and the first mate enjoy identical, ultra-premium High-Back Helm Seats featuring flip-up armrests, swiveling mechanisms, and dense foam contours for all-day comfort.

• Raised Helm Platform: Raises the captain's deck several inches above the main floor, pairing with an upgraded sport steering wheel and a Helm Rearview Mirror for an unobstructed view of the horizon and skiers behind the boat.

• Water-Level Entertainment: Features an Aft Swim Seat for lounging right at the water's edge, a Chaise End Flip-Up Table, a polished Woodgrain Luxury Sport Table, and a stainless steel perimeter Safety Railing to safely utilize the rear lounger while underway.

• Tech & Convenience Packages: Factory-bundled upgrades equipping the helm with advanced digital displays, wireless phone charging docks, premium toggle buttons, and quick-access utility storage.

• Total Lighting Package (C-Zone): A fully integrated digital switching network that grants centralized touchscreen control over the Interior and Exterior RGB LED lighting, allowing you to customize color moods across the cupholders, floor lanes, and underwater lines.

• Concert-Quality Sound: A premium multi-zone marine audio package boosted by high-power Tower Can Speakers, throwing crystal-clear, deep audio far past the swim platform to entertain riders on tow lines

The MarineMax Advantage: Ownership Made Easy

When you purchase this boat, you don't just get a boat—you join the MarineMax family and benefit from our comprehensive support, making boating easy and enjoyable:

• Ready-to-Go: A full fuel tank upon purchase and a Go Boating Gear kit filled with essentials for safety on the water.

• Financial Ease: Hassle-free financing and insurance options.

• Exceptional Service: Convenient online scheduling for all your maintenance needs.

• Expert Training: Boating classes and seminars to build your confidence on the water.

• Community: Exclusive access to our Getaways!® trips and customer events, connecting you with a vibrant community of fellow boaters.
