ABOUT

# Memory Maker

LOCATION

Fort Lauderdale, Florida, United States

Built during Hatteras Yachts' expansion into the superyacht market, MEMORY MAKER combines American yacht-building pedigree, substantial volume, and offshore engineering.

Designed by Jack Hargrave, this 110-foot motor yacht features a 24-foot beam and 197 gross tons, offering accommodations comparable to larger yachts.

Repowered in 2002 with twin 1,600 HP Caterpillar 3508B engines, she offers a 17-knot cruising speed, 20-knot maximum speed, and approximately 1,150 nautical miles of range. Naiad stabilizers enhance comfort underway.

Inside, expansive windows, rich wood joinery, and generous entertaining spaces complement a new blue-green agate ceiling, country kitchen, formal dining area, and full-beam owner's suite. Her accessible engine room reflects Hatteras' emphasis on practical engineering and long-term serviceability.

# Full specifications
