REDUCED TO $199,000 (Aug. 6, 2026)

“THIS OLD HATT” has been rebuilt from the keel up by renowned boat builder and renovation expert Tom Slane for a complete refit in 1991 , with continued upgrades through 2026 including a fresh coat of Alexseal Off White paint from the rub rail up.

Slane, the son of the founder of Hatteras was commissioned to rebuild this classic 53c Hatteras to ‘like new’ condition. He and his team proceeded to strip out the interior down to the stringers and rebuild in light oak to feature 3 staterooms, 2 heads, a modern galley, and salon. There were zero shortcuts in refreshing “THIS OLD HATT” as the entire plumbing and wiring system have been renewed.

The engines were also rebuilt increasing the horsepower by 35 percent over the standard 650hp. Since major overhaul the port motor has approximately 80 hours while the starboard has approximately 475 hours .

The Flybridge has been completely reimagined and features a custom helm console. With the addition of a tower and outriggers “ THIS OLD HATT ” is ready to reel them in.

Anglers in the cockpit are treated with a with a custom tackle center, bait freezer, live baitwell, teak cockpit sole, teak covering boards and fighting chair.

“THIS OLD HATT” is a ‘one of a kind’ vessel that will be greatly appreciated by anyone who enjoys the classic lines of the 53c but wants the updated systems and equipment of a much newer boat.
