Fort Lauderdale, Florida, United States

Less than 400 hrs

We welcome your offers!!

This 2016 Hatteras GT63 is a remarkable vessel, with fewer than 390 hours on the main engines. It is equipped with numerous extras that enhance its appeal. It is maintained on an 80-ton lift, allowing for cooling while out of the water, ensuring it remains in pristine condition.

Notable features include a Nautical Structures 2200LB Davit with telescoping hydraulic rotation, an 8-man open-sea ISO canister life raft, and a performance capability exceeding 40 knots.

Now referred to as the new 65 model by Hatteras, this vessel represents the pinnacle of the later resin-infused generation of the Hatteras fleet. Exceeding in its category powered by the upgraded MTU 12V-2000 engine at 1900 BHP, along by a chrome package.

With meticulous maintenance and minimal use—only 390 hours on the mains and under 1400 hours on the two 21.5KW generators—this vessel boasts a wealth of desirable features, including an extensive Garmin package, spare propellers, a BROWNIES (2-person) dive compressor, (2) Dometic Sea-Exchage water maker, pro-series underwear lights, STIDD marine helm chairs, to highlight a few.

The cockpit features a well-considered layout, equipped with numerous electric outlets, spacious fish boxes, misters, a sizable transom live-well, and ample mezzanine seating that includes refrigeration. This GT63 stands out on the market due to its exceptional outfitting and low hours.

The boat arrived in Fort Lauderdale via Cross Chartering Yacht Transport on October 31st. New bottom job, rop-speed and full detailing completed (May 2024) and again (Jan 2025). New interior soft walls throughout (Jan 2025) New Bedding, New Automated Window Blinds in Salon area. Fully Detailed Interior, Fully Detailed Engine Room. Engines and Generators Fully Serviced (Dec 2024) New Nonskid throughout (Dec 2024) and much more. This vessel is a must see for anyone seeking an exceptional boat.
