ABOUT

Enchantress

LOCATION

West Palm Beach, Florida, United States

The 65' Hatteras ENCHANTRESS is a cruising convertible with one owner for the last 24 years. Her 4-stateroom interior has been upgraded and offers all the comforts, including a mid-ship master stateroom. An open flybridge model with hardtop, she was factory spec'd with a solid glass windshield with wipers and has flybridge A/C (or heat). Naiad stabilizers make for a great offshore ride and the hydraulic bow thruster is a great assist when docking. The Marquipt davit with power rotation easily handles the 13' AB center-console RIB. Enchantress has Detroit Diesel 16v92 DDEC power, the starboard motor was fully overhauled by Dockside Diesel in 2026 and the port side engine was replaced by WW Williams Diesel with a new short block in 2020 and has approximately 600 hours since. Her electronics were updated with a suite of Simrad equipment and additionally has a FLIR night-vision camera along with two open array radar scanners. The flybridge has Stidd helm chairs, and recently refreshed upholstery on all seating area. Many more updates are itemized in the following spec sheet.
