ABOUT

HATGS618A606

LOCATION

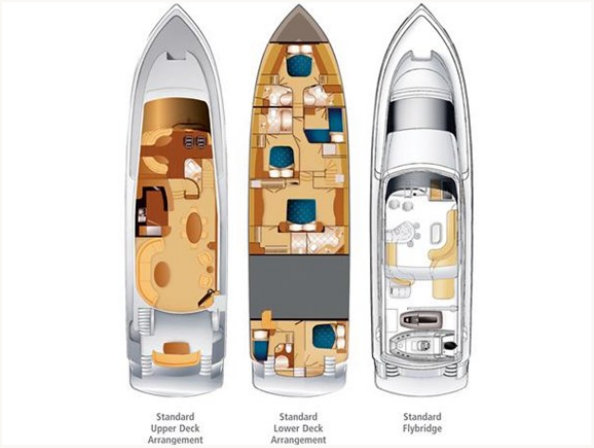

Fort Lauderdale, Florida, United States

This Hatteras 80 is an open flybridge model with no lower station. It is a luxurious Eurostyle motoryacht with 4 staterooms with ensuite heads and an impressive 21' 3" beam. The Hatteras 80 is constructed on a low-deadrise hull with propeller tunnels to reduce shaft angles for improved thrust and less drag. Accommodations are dominated by a vast main salon with hardwood flooring, indirect lightning and a formal dining area forward also a day head stbd.

Forward is a huge county-style galley with granite countertops, large dinette table with seating and port and starboard deck doors.

Below the full beam master stateroom has a king bed, walk-in wardrobe and vertical hullside windows. Crews quarters are aft with two staterooms, both with two single berths. Axcess to engine room is thru crews quarters either from aft swim platform or from the aft deck. Also aft deck features a full overhang, teak table and molded-in lounge. Aft deck station for engine controls is on the stbd side. Also wet bar with sink and refrig. Heavyweight Cat C-30 engines (1550 hp) will cruise the 80 to 20 knots, many new upgrades to the vessel in 2022, all new appliances, new hot top on bridge, upgraded electronics.
