ABOUT

Hcb 53 Suenos

“Cowboy” is a 2020 HCB 53’ Suenos built to run far, fast, and fish hard. Powered by quad Yamaha 425hp outboards , this offshore machine delivers exceptional speed, range, and reliability with a top speed of 53 knots, while a Seakeeper 6 keeps the ride rock-solid at rest and underway.

The center-helm command station features Garmin electronics fully integrated into the dash, providing clear navigation and fish-finding performance. Second-row seating and an aft-facing Summer Kitchen with twin freshwater sinks, tackle storage, cockpit refrigerator, and countertop keep you organized and ready when the bite turns on.

The open aft cockpit is purpose-built for serious fishing with center transom livewells, port and starboard in-deck fish boxes, dual dive doors, and a bait-prep station with rod holders for efficient fish handling.

Forward, the open layout includes a large 2-person lounger seat and port and starboard bow seating. Below deck is a climate-controlled cabin with sleeping accommodations and a private head with shower that is ideal for extended offshore runs.

“Cowboy” is turnkey and ready to chase pelagics in comfort, performance, and style.
