2021 HCB 65' Estrella "Mary Daniela" — Miami to Bimini in Under Two Hours

Some boats get you there. This one makes the getting-there the best part.

The HCB 65 Estrella is the flagship that launched the mega center console era, and she still sets the standard. A sky-blue hull that turns heads from South Beach to Bimini Bay, a hardtop-shaded helm for five, and enough deck to host a party or land a blue marlin — sometimes in the same afternoon.

Powered by quint Yamaha XTO Offshore 425s and stabilized by a Seakeeper 9 gyro, she rides flat and confident whether you're crossing the Gulf Stream on a Bimini run or idling into a quiet anchorage in the Abacos. Joystick-controlled electric steering with integrated bow and stern thrusters makes docking at Bimini Big Game Club, or backing into your own slip, smooth and stress-free.

Below deck, she surprises you: a full master stateroom with queen berth, spa-style glass shower, custom high-gloss teak cabinetry, and a décor package that feels more superyacht than sportfisher. Topside, a 49" 4K home theater and JL Audio system with twelve speakers and four subwoofers turn sunset cocktails into an event.

She's rigged to fish hard too — dual 80-gallon livewells, refrigerated fishboxes with chill plates, 21 rod holders, and Gemlux telescoping outriggers.
