ABOUT

Little Dragon

LOCATION

Arhus, Central Denmark Region, Denmark

Little Dragon, a timeless Truly Classic designed by Hoek Design was masterfully built by the prestigious Holland Jachtbouw shipyard in 1998.

She features a modern wood /composite hull construction warranting excellent structural stiffness, eliminating any corrosion concerns.

The yacht has a classic layout with the master cabin forward, including a separate shower cubicle, the salon amidships and two double berth cabins aft, sleeping 6 guests in total.

The pilot house offers protection and comfort, also in less favourable weather conditions.

Little Dragon's modern underwater hull configuration is based on the well proven hull lines from the '30's ensuring safe and comfortable motions in any sea state.

Her tall sail plan with hydraulic sail winches and furling head sails give performance and ease of handling.

She is available for viewings by appointment in Denmark.
