Horizon E98

*Please note that this listing represents a model specification for a new build and not an actual hull for sale and location. For more information on this model and build availability, please contact Horizon Yacht USA**

The Horizon E98 motoryacht was created for clients who wish to enjoy the comforts of a superyacht in a motoryacht just shy of 98 feet (29.84M). Designed by Swedish designer John Lindblom, her sleek exterior lines echo those of her popular smaller sister, the Horizon E90, as does her high-performance hull that ensures cruising efficiency, stability, and seakeeping. With an exceptional 5.10 feet (1.78M) draft, the E90 has the flexibility to cruise in shallower waters, and her 22.9 feet (6.93M) beam provides plenty of interior volume for comfortably accommodating family and friends on every level. The Horizon E90 is offered in Skylounge and Open Bridge versions to suit a variety of cruising lifestyles.
