Horizon Elegance 82S – 2001 – VAT Paid Location: Barcelona, Spain

This Horizon Elegance 82S represents an outstanding opportunity to acquire a well-maintained, VAT paid 25-meter motor yacht combining timeless design, solid engineering, and recent upgrades.

Built in 2001 and flying the German flag, she has been privately used only and carefully maintained throughout her ownership. With only approximately 1,600 engine hours on her twin Caterpillar 3412E V12 engines (2 x 1,420 HP), she offers reliable performance, cruising comfortably at 18–20 knots and reaching a maximum speed of approximately 25 knots.

Recent 2025 Refit & Upgrades In 2025 the yacht benefited from significant improvements, enhancing both comfort and onboard systems:

• New Raymarine navigation displays (3 units)

• Four helm/control stations

• Remote docking control system

• New firefighting system

• New watermaker (130 l/h)

• Starlink satellite internet

• New interior and exterior upholstery

• Full engine service completed in 2025

She is technically updated and ready for the season, with antifouling scheduled as part of routine maintenance.

Accommodation The yacht comfortably accommodates up to 8 guests in 4 well-appointed cabins:

• Full-beam Master stateroom

• VIP cabin forward

• Two Twin guest cabins

• All cabins with en-suite bathrooms

Separate crew quarters aft ensure privacy for guests.

The spacious main saloon offers generous seating, natural light, and an elegant dining area, creating a refined yet welcoming atmosphere ideal for extended cruising.

Exterior & Deck The exterior spaces are designed for Mediterranean living, featuring teak decks, a large cockpit area, hydraulic passerelle, swimming platform, and garage for tender storage. The yacht's layout provides excellent circulation and multiple helm positions for comfortable handling.

This Horizon Elegance 82S stands out in today's market due to her low engine hours, recent refit, VAT-paid status, and private-only use. She presents a compelling option for buyers seeking a proven 80-foot yacht with solid pedigree and modern upgrades at a competitive price point.

Viewings are highly recommended.
