Horizon FD80

*Please note that this listing represents a model specification for a new build and not an actual hull for sale. For more information on this model and build availability, please contact Horizon Yacht USA**

Contemporary style lines, versatility of space, and well-planned interior and exterior entertaining areas are at the heart of this latest design. The smaller sister to the successful FD85 motoryacht, the brand new Horizon FD80 Skyline maximizes interior volume with unique floor-to-ceiling glass sections that invite plenty of natural light and spectacular views into the salon, dining area, and on-deck master stateroom. Below deck, three additional staterooms including two VIPs echo the feeling of spaciousness while a window in the garage extends natural light into the beach club on this level.

Available in a Skyline or Open Bridge version, the FD80 offers functional outdoor spaces that rival those found on 90-foot-plus motor yachts. Side wingstations allow for improved visibility while docking and the bridge deck aft is spacious enough to accommodate a 16ft tender. A truly cutting-edge motoryacht with the amenities of a megayacht, the new Horizon FD80 is the ultimate yacht for owner operators.
